Property Features

This 33.59 +/- acre mountain tract , which consists of various ages of natural pine and hardwoods, is located just off of the Cherokee Foothills Scenic Highway (Highway 11). The property is located in the foothills of the Blue Ridge Mountains and offers excellent views of the surrounding countryside. This region of Greenville County is also well-known for trophy whitetails as well as healthy numbers of eastern turkeys. Barton Creek runs across the southern end of the property (1,200+/- ft. of frontage) along Highway 912 offering a good water source.

The property is a short twenty-five minute drive from downtown Greenville and would make a wonderful mountain retreat just outside of town. Additional acreage is also available - the adjacent property to the east of the subject tract is currently on the market (see our Highway 912 Tract I listing).
